Simone de Beauvoir, Philosophy, and Feminism Nancy Bauer

In the introduction to *The Second Sex*, Simone de Beauvoir notes that "a man never begins by establishing himself as an individual of a certain sex: his being a man poses no problem." Nancy Bauer begins her book by asking: "Then what kind of a problem does being a woman pose?" Bauer's aim is to show that in answering this question *The Second Sex* dramatizes the extent to which being a woman poses a philosophical problem.

This book is a call for philosophers as well as feminists to turn, or return to, *The Second Sex*. Bauer shows that Beauvoir's magnum opus, written a quarter-century before the development of contemporary feminist philosophy, constitutes a meditation on the relationship between women and philosophy that remains profoundly undervalued. She argues that the extraordinary effect *The Second Sex* has had on women's lives, then and now, can be traced to Beauvoir's discovery of a new way to philosophize—a way grounded in her identity as a woman. In offering a new interpretation of *The Second Sex*, Bauer shows how philosophy can be politically productive for women while remaining genuinely philosophical.

It makes you more easily to read this book, since you can read this book in your Mobile phone. So there is no reason to you personally to past this reserve from your list.

Stacey Eades:

Reading a reserve tends to be new life style within this era globalization. With studying you can get a lot of information that could give you benefit in your life. Having book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or perhaps their experience. Not only the story that share in the books. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some research before they write for their book. One of them is this Simone de Beauvoir, Philosophy, and Feminism.

Wayne Kong:

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Simone de Beauvoir, Philosophy, and Feminism can make you experience more interested to read.
