Économie du bien commun (French Edition)

Jean Tirole

Économie du bien commun (French Edition) Jean Tirole

Avec ce premier livre en français destiné à un large public, le prix Nobel d'économie 2014 nous invite à partager sa passion pour cette discipline. Il défend une certaine vision de l'économie, science qui croise la théorie et les faits au service du bien commun, et de l'économiste, chercheur et homme de terrain. C'est dire que le lecteur pénètre dans l'atelier d'un économiste et voyage à travers les sujets affectant notre quotidien : économie numérique, innovation, chômage, changement climatique, Europe, État, finance, marché... En dressant un panorama des grandes problématiques de l'économie d'aujourd'hui, Jean Tirole nous fait entrer au coeur des théories dont il est le père.
