It's Time to Say Good Night

Harriet Ziefert

It's Time to Say Good Night Harriet Ziefert

Based loosely on the Comden & Green song "I Say Good Morning to the Sun," jaunty verse takes readers to different landscapes in which a small boy is saying so many "good morning"s that by the time he is done, it's time to say "goodnight!" All are rendered in Barroux's signature droll and endearing style.
