This book discusses the mortal life and ministry of Jesus Christ. Although there have been many books written about Christ, this one is unique. By closely examining the historical setting in which He lived, His radical teachings and the deliberate sacrifice of His life, we see Jesus Christ as a stunning leader, teacher and example. His words still challenge mankind. His example still towers above history. His teachings still require us to answer the question He put to all His followers: "What think ye of Christ?" This book is the author's answer to that question. It will help you decide your own answer to the question. You will be introduced to a Jesus Christ you likely have not met--until now.
