Frozen L.A. Casey

There's one must-have toy this Christmas, and Neala Clarke has told her niece Charli she'll get it for her. Never mind that she's got less than a week and it looks like everywhere is sold out. She's promised Charli a Fire Princess doll—and Neala is a woman of her word.

Darcy Hart is a people-pleaser. So when his adorable six-year-old nephew, Dustin, asks for a particular doll at the last minute, he says yes. Luckily for Darcy, there's one left in stock at the local toy store. Unluckily for Darcy, he's not the only person who wants it—and his rival is the one woman who's immune to his charms.

Neala and Darcy have loved to hate each other since they were kids, and they're both willing to do whatever it takes to get that doll. This can't possibly end well for both of them...can it?

Revised edition: This edition of *Frozen* includes editorial revisions.
