Now in their second editions, these stories help children ages 3-8 learn to solve social problems effectively and compassionately. Because the stories are interactive, kids are encouraged to consider several different ways of solving problems. If children don't like how the stories turn out, they can go back and try another method.

Gabriela and her father become separated while visiting the zoo. She's worried that she won't find him. What can she do? Includes a parent who uses a wheelchair.
