Love is a rainbow in a fountain: Until someone crashes into a party meant for two Mr Pirate

Mr Pirate met Ms Turkey at a property management seminar. They discovered that they have many things in common between the two of them. The casual meeting grew into a blossoming love relationship.

Ms Turkey was separated from her husband for almost two years and she is to file a divorce proceeding pretty soon. Once the divorce is effected, she would be free to marry again.

At this juncture she has only Mr Pilate as her only boyfriend. Mr Pilate is a widower whose wife passed away three and a half years earlier. He has not come near any woman till he met Ms Turkey.

However, the love affair between Ms Turkey and Mr Pirate was disrupted by one Mr Suitor in their fourth month of courtship. Ms Turkey had known Mr Suitor before she even got married. Mr Suitor missed a chance to marry her then as he was not prepared to do so financially.

He is now making a comeback as his only son has just graduated and would be starting his own business soon away from his father. Mr Suitor would be very lonely without him around.

Ms Turkey eventually fell for him and that complicated the intimate love relationship. Now there is a third party in an otherwise blossoming relationship between Ms Turkey and Mr Pirate.

The story is told by the author, Mr Pirate.
