Rabbit Language or "Are you going to eat that?" Second Edition, is a humorous guide to communicating with one's pet rabbit and the perfect gift for those who share their home with a rabbit.

The book is the original guide to rabbit behavior, which has spawned many imitators. Rabbits are quite different from cats and dogs and can be hard to understand. Rabbits make fabulous pets but are not for everyone. Hopefully this book will help illuminate that. The book is a light-hearted yet informative guide to annoying behavior and an essential library addition for rabbit owners.

The internet version of Rabbit Language or 'Are you going to eat that?' has been a popular reference for rabbit owners since 1995. The online text was rewritten and expanded. The pen and ink wash illustrations were done from life and later colored in Photoshop.
