After discovering how much fun self-bondage can be, Violet expands her horizons, trying ever more elaborate and complicated scenarios. Longer, harder, and more restrictive means more of a risk she'll get stuck and caught by her unwitting accomplice.

She just can't help herself, though, and embarks on a twenty-four hour self-bondage adventure that's the most devious and complicated setup she can come up with. It'll be a true test of her abilities, but she underestimated how hard her challenge really is. The clock is always ticking for her, with discovery never more than a wrong turn away.
