The Social Lives of Dogs: The Grace of Canine Company Elizabeth Marshall Thomas
From the bestselling author of *The Hidden Life of Dogs* and *The Tribe of Tiger* comes a groundbreaking work on canine consciousness and how dogs become family

Moving from Virginia to New Hampshire is a change not only for Elizabeth Marshall Thomas and her husband, but also for their three elderly dogs. A classically trained anthropologist, Thomas observes the way in which Suessi, Fatima, and Inookshook acclimate to a new house and new adventure. Over the years, as the dogs grow older and new ones are taken in, Thomas analyzes their behavior and personalities. What makes dogs react uniformly to certain situations? To what extent do they comprehend human dialogue? With every sniff of the dogs' noses and every wag of their tails, Thomas builds an impressive understanding of canine reaction and affection, and of the ways dogs support those they regard as one of their own.
