As Sergeant At Arms for Devils Pride MC, Tyler “Trick” Malone’s take no prisoners reputation make him one of the most feared and respected members of the club. Unbeknownst to the MC, Trick indulges his most dangerous secret, traveling out of state twice a year to trade his cut for the whip he expertly wields at a gay dungeon.

Trick’s well organized life takes a turn when he saves bar back, and terrified submissive, Chase Ward in a Georgia dungeon. With his protector and dungeon owner dead, Chase is no longer safe in the place he once called home. With the new dungeon owners circling like sharks, he desperately begs for sanctuary in the arms of his savior.

A year later the MC is still none the wiser that Trick’s houseboy is anything more than a grateful servant. Chase knows if the club finds out they will kill Trick, the man he’s come to rely on for everything from the food he eats to the pleasure he feels to the security he craves. Even when gratitude turns to love, Chase never expects reciprocation from his ruthless Master. After all, the only way for them both to survive is if Trick remains the heartless bastard the MC knows.

Trick is positive he has it under control and having Chase around has definitely made his life easier. There doesn't seem to be any harm in letting Chase take a part-time job at Velvet Ropes, especially after meeting privately with the owners. That is until a bomb explodes at the club, leaving Chase fighting for his life and forcing Trick to face his long hidden feelings.

Even if Chase survives, that bomb has done more than rock the foundation of the popular leather club. It’s blown Trick and Chase’s well-guarded secret out of hiding, putting their lifestyle and their lives at risk. Now there is only one thing Trick needs to do before the club gets them and that’s to get revenge on the person who dared to hurt his precious boy.
