Whitney Museum of American Art

Edward Hopper 2012 Calendar (Wall Calendar) Whitney Museum of American Art

The cityscapes and landscapes of early- to mid-twentieth-century America depicted in the paintings of Edward Hopper (American, 1882–1967) are studies in quiet and solitude. Yet far from bleak, most are warmed by the light of the early morning or late afternoon sun that so fascinated the artist. Whether or not people are present, Hopper's scenes possess a certain stillness—a sense of moments frozen in time—that epitomizes his work. Twelve Hopper masterpieces are presented here, among them Cape Cod Sunset, Seven A.M., and Vermont Landscape.

Size: 12 x 13 in.; opens to 12 x 26 in. Printed on FSC certified paper with soy-based inks.
