## El cartel de los sapos (Edic. pelicula) (Spanish Edition) Andres Lopez Lopez

Esta es la historia, hasta hoy desconocida, de uno de los más poderosos carteles de narcotráfico en el mundo: el cartel del Norte del Valle. Tan poderoso y violento como el cartel de Medellín de Pablo Escobar, y tan influyente y multimillonario como el cartel de Cali de los hermanos Rodríguez, los sucedió a ambos en el negocio internacional del tráfico de cocaína y extendió sus tentáculos a México, Venezuela, Estados Unidos y varios países de Europa. Pronto los nombres de sus jefes entraron a formar parte de una leyenda negra, por sus cuantiosas operaciones y sus extravagancias, y al final por sus sanguinarias venganzas. Chupeta, Rasguño, Don Diego, Orlando y Arcángel Henao, Wílber Varela, Víctor Patiño, Iván Urdinola, entre otros, a pesar de sus esfuerzos por llevar una vida discreta, se convirtieron en el blanco de las agencias antinarcóticas. Este libro testimonia desde sus entrañas la despiadada lucha por el poder y el dinero, y también por las mujeres, en el cartel del Norte del Valle. Conspiraciones, venganzas, traiciones, tejen una trama que se lee como una novela de suspenso. En esta intensa historia se basa una exitosa serie de Caracol Televisión. En El cartel de los sapos sus oscuros protagonistas y su vida infernal causan asombro y perplejidad, tal cual sucede siempre que se desciende a los abismos de la auténtica mafia.
