Reflections in Truth Keith Macgeagh

Reflections in Truth, is a fresh and honest use of words and verse to convey emotions and feelings from the perspective of an outsider. If you question reality, morality and the rigidity of religion but are open to spirituality and the pursuit of truth, then spend a few moments reflecting on these poems. The poet weaves stories filled with eroticism, love, spirituality and commentary on life in a collection of poems that reflect the influences of Indian mysticism, Zen and the harsh reality of modern life filled with hectic schedules, war, terrorism, sex and greed. But there is hope. The answers to all our questions are right here and they are easily accessible, if one knows where to look and how to see.
