# Walden: Or, Life in the Woods (Solis Classics)

Henry D. Thoreau

**Walden: Or, Life in the Woods (Solis Classics)** Henry D. Thoreau

*“I lived alone, in the woods, a mile from any neighbor, in a house which I had built myself, on the shore of Walden Pond, in Concord, Massachusetts, and earned my living by the labor of my hands only. I lived there two years and two months. At present I am a sojourner in civilized life again.”*

So begins Henry David Thoreau’s US classic *Walden*. The book documents Thoreau’s personal journey of self-discovery and self-reliance.

By living a simple life in the wilderness, Thoreau hoped to learn more about the “civilized” world from which he had removed himself. As a transcendentalist, Thoreau rejected rationalism. He believed that truth and morality came from Nature and human divinity not from government and organizations.

Written over 150 years ago, *Walden* can still speak to us of our lives and how we might improve them.

This Solis Classic edition has been typeset in fresh type for clarity and legibility.
