The year is 1925, and thirsty Americans are sneaking around Prohibition. Off the New England coast, rum-runners in fast boats deliver liquor to bootleggers and speakeasies from the ships on Rum Row. Federal officials in Boston must break this illegal supply chain to enforce the 18th Amendment, but it's easier said than done. On a lonely beach, he finds tire tracks, smashed crates, and broken bottles. It's a sure sign of a botched run, except for a ghastly splattering of blood. The case is turned upside down as Quaid searches for a missing boy, a mysterious rum-runner, and a mastermind whose treacherous business will take lives to turn a profit. . . .
