## Practical Psychodermatology

The aim of *Practical Psychodermatology* is to provide a simple, comprehensive, practical and up-to-date guide for the management of patients with psychocutaneous disease. The scope of the book will be inclusive and will aim to cover all aspects of psychocutaneous disease, in an accessible way so that non-dermatologists and non-psychiatrists will be easily able to understand the text.

The book will apply a practical facilitative approach to diagnosis and management, and will be summarised by clear boxed texts and algorithms to assist readers. In addition there will be a reference and website section at the end of each chapter to which the reader can refer for more in depth study.
