Imagine being taken by a stud? How would that make you feel?

Jake is ready for a change and after the death of his father, he is no longer willing to run the family cattle ranch. Instead, he leaves his share to his two brothers and sets off to Texas to train race horses like he has always wanted to.

The first part of his dream comes true when he gets a job at the best ranch in the country, now he just has to prove himself of the opportunity. He thought he knew what was coming, that is until he made the trip and was settling in for the first night.

Needing a place to stay, Bella lets him stay with her for the night, though neither thought that morning desires would come between them.

Will the two realize that they are meant to be together before it is too late or will a child come between them?
