Asia couldn't believe that this is happening. Her face was deep in the cell mattress, with a cut on the lower lip, while Michael was pounding her from behind. With his impacts, her face would go deeper into soft and dirty cushions. She knew that somebody was watching this injustice. She knew that somebody liked it, and that he or she was masturbating. Asia knew that and she liked the feeling. She liked to be humiliated and dominated by others. The feeling of helplessness was making her pussy wet. The slaps on her face were making her tremble, strong pinching of her nipples made her go insane. Asia was a young girl, a rebellious girl. She was very handsome, with a tight body covered in tattoos. Her firm, tight ass were making both men and women insane, and she never wore a bra so the nipples of her small tits were always pointing out. In addition, she was very beautiful, actually, she had a face of an angel, pale and symmetrical with blue eyes like two stars. Asia was a problem child. Since she was in elementary school her teachers were going insane with her attitude. Her intelligence was above average, but she wasn't interested in formal education, so she did her own research. Baudelaire, De Sadd, Iggy Pop, those were only some of the artists she found interesting and promising. One thing she has found out was that she was very sexual. Asia discovered masturbation very early, and she had lost her virginity on her 15th birthday. Since then, she has been a predator. Boys, girls, blowjobs in public places, flashing strangers with her girlfriends, random party fucking, Asia tried it all. Another love of hers, that made her to end up in prison, were drugs. Except marijuana, Asia loved to get ripped with ecstasy and to go to a rave. Almost every time she would fuck somebody in the club's bathroom. Unfortunately, she her pockets were full with ecstasy and acid when the police raided a club one night. Asia was caught and sentenced to spend three months in prison.
