The heart of Christmas is joy and generosity; nowhere is its spirit more beautifully captured than in this graceful volume from the editors of *Victoria* magazine. Their favorite Christmas vignettes form the basis for this elegant approach to America's best-loved holiday, lavishly illustrated with four-color photographs.

Come experience the winter season in a new light: a snowy homecoming, a horse-drawn sleigh ride, holiday lights ablaze in a Victorian neighborhood in the South.

To set a festive and romantic mood at home, *Victoria The Heart of Christmas* offers special decorating ideas -- fresh lilies tucked into the front-door wreath; treasured family photographs framed in silver and hung on the tree; a mantelpiece with white roses and gold ribbon; a table set for two with heirloom lace.

You'll also find page after page of recipes for traditional holiday treats and gift ideas from the kitchen -- creamy trifle, spicy plum pudding, lavender jelly, and a complete Victorian dinner Dickens would have loved.
