Who Am I When Everything is Silent? Tasha M. Wilson

At first glance, I am often referred to as a mystery. It's when the intimate moments occur, that I feel comfortable enough to peel off the layers to reveal the thoughts and emotions that are captivated within my heart. The poems that I have written come from the depth of the most intricate part of my soul. The feelings and emotions I've experienced from the circumstances of life have molded me and shaped me into the woman that I am blossoming into. The poems reflected in this book are a snapshot of how multifaceted and complex my thought process is.

As you read, Who Am I When Everything Is Silent? I want you to be able to view the essence of life's journey through my lens; recognizing that the encounters I faced were a part of the God given blueprint of my life--intentional and purposeful. I am no longer concealing the greatness that's within. I am unapologetically loving who I am and whose I am.
