Almost Single Advaita Kala

In a city where old is meeting new, daughters are surprising mothers, and love is breaking all the rules, this heartfelt and wickedly funny cross-cultural debut novel introduces a smart, irreverent young woman searching for independence and matrimony in a culture bound by tradition.

Between elegant soirees and the occasional mortifying mishap, Aisha Bhatia's job as guest relations manager at New Delhi's five-star Grand Orchid Hotel is intermittently fabulous—she certainly knows her wines and cheeses. But despite a life filled with good friends and first-class travel accommodations, the fact is that not many twenty-nine-year-old women in India are single—as Aisha's mother never fails to remind her. Somewhere a clock is ticking, though as far as Aisha is concerned, it can be cheerfully drowned out by laughter over a champagne brunch. Yet when the handsomely chiseled Karan Verma arrives from New York, Aisha experiences an unexpected attitude adjustment. Karan is everything she's ever wanted...that is, if she actually *knew* what she wanted. Is it possible that she's about to find out?

Savvy, sexy, and unforgettable, **Almost Single** tackles the loving, exasperating tug-of-war between mothers and daughters, traditional customs and contemporary romance—and what happens when a modern Indian woman is caught in the middle.

From the Trade Paperback edition.

From reader reviews:

Rigoberto Hamilton:

Now a day those who Living in the era exactly where everything reachable by connect with the internet and the resources included can be true or not involve people to be aware of each details they get. How many people to be smart in obtaining any information nowadays? Of course the solution is reading a book. Reading through a book can help folks out of this uncertainty Information especially this Almost Single book since this book offers you rich data and knowledge. Of course the details in this book hundred percent guarantees there is no doubt in it as you know.

Patricia Howland:

Exactly why? Because this Almost Single is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book close to it was fantastic author who have write the book in such awesome way makes the content inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of advantages than the other book have got such as help improving your proficiency and your critical thinking way. So , still want to delay having that book? If I were you I will go to the guide store hurriedly.

Mary Cox:

Do you like reading a guide? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many problem for the book? But any people feel that they enjoy intended for reading. Some people likes studying, not only science book but novel and Almost Single or perhaps others sources were given knowledge for you. After you know how the truly great a book, you feel would like to read more and more. Science reserve was created for teacher or even students especially. Those guides are helping them to bring their knowledge. In other case, beside science book, any other book likes Almost Single to make your spare time a lot more colorful. Many types of book like here.

Melinda Walton:

A lot of publication has printed but it is different. You can get it by net on social media. You can choose the most effective book for you, science, comedy, novel, or whatever by searching from it. It is known as of book Almost Single. You'll be able to your knowledge by it. Without leaving the printed book, it can add your knowledge and make you happier to read. It is most essential that, you must aware about e-book. It can bring you from one location to other place.
