A solid foundation is an essential part of anything that is being built. Without that firm foundation, the building can crumble in the middle of the storm. We would never build a house without a solid foundation, so why would it be acceptable to allow a new Christian to begin to build their spiritual house without one?

"I'm Saved... Now What?" provides new believers in Christ with solid, Biblical teaching on six foundational stepping stones that will get them started on the right track in their Christian lives.

"I'm Saved... Now What?" points the new believer back to the Word of God as the ultimate truth and final authority. It is in the infallible Word of God that we find instruction, direction, and revelation. What a better place to start your life!

"I'm Saved... Now What?" is a great book not only for new believers in Christ, but also for Pastors, Evangelists, and saints of God everywhere who are concerned with the salvation and discipleship of souls.
