## Quotes Illustrated: 100 works of art inspired by words Lesley Riley

*QUOTES ILLUSTRATED* by Lesley Riley is a timeless source of inspiration and motivation. Through the diverse and eclectic work of over 90 artists, familiar and some not-yet-discovered quotes are brought to life.

**It's an eye-opening experience to see how these talented artists interpret modern and age-old wisdom.**

To quote Georgia O'Keefe, "*Art is not what you see,? but what you make others see.*" And therein lies the magic of this book - it expands your awareness, so that you see, not only with new eyes, but come to understand how art can illustrate and illuminate more than words alone can express.

**100 quotes were carefully chosen by Lesley to create a positive book that moves the reader to take action on their dreams.** If the quotes alone don't do the trick, the artwork certainly will. Artists were free to interpret their quote in their own way, with their medium of choice.

**The book includes wonderful examples of digital art, art quilts, fiber art, mixed media, collage, assemblage and paintings.** There is something to delight all tastes. Artists in particular will find this compendium a source of ideas and techniques for their own art. While it's not a how-to book, information on materials and techniques used are provided for each artwork.
