By reminding women each week to delight in the often overlooked gifts of every day - "distinguish between the song of the starling, the wren, and the robin; taste a new kind of honey and slather a little sensory pleasure on your dry crust of habit" - the calendar is sure to bring more joy and personal contentment into every woman's life. This calendar offers "seasonal indulgences" - recipes, rituals, decorating, and gardening hints - to help readers rediscover and savor the sensual experience of daily life. Each passage has been specially selected by the author, always with an eye to the promise that each new month brings.
