SEDUCIR ONLINE (Spanish Edition) MARKUS HOFFMAN

Las Redes Sociales son el nuevo campo de batalla para la seducción. Sin embargo, no es fácil seducir de verdad y a fondo en un terreno tan variable, difuso y desconocido como es Internet, donde cada uno adopta la máscara que le conviene.

La experiencia de seducir online puede ser muy beneficiosa y satisfactoria. Existen miles de parejas que se han formado gracias a la Red. Pero las claves utilizadas para seducir offline no sirven para establecer contactos en profundidad en las Redes Sociales. Los códigos de comunicación, estilo, conducta, estrategia, etc. son diferentes y en ocasiones opuestos.

La Seducción Online es materia de personas preparadas, porque los aficionados pronto quedan relegados ante las primeras negativas recibidas, ya que las mujeres han espabilado mucho y no se dejan embaucar por meros halagos que llegan de un desconocido, uno más de los millones que deambulan por la Red.

Si quieres de verdad seducir, hacer que la mujer con la que has entablado contacto tendrás que conocer a fondo la psicología femenina dentro del ámbito y el contexto particular que proporciona Twitter o Facebook, el campo de juego donde sólo alcanzan la victoria los mejores. Al dominar la psicología que influye sobre los comportamientos y las actitudes en el ámbito particular de la seducción, podrás influir en la conciencia de la mujer que te interesa sin que lo perciba.

Si lo que quieres es pasar el rato y flirtear en Internet, podrás hacerlo sin excesivos conocimientos, pero no rebasarás nunca cierta línea, porque las claves desarrolladas en el contexto de las Redes Sociales, como la creación de Avatares Virtuales constituyen todavía un secreto, materia de seductor online especializado, y este sencillo pero práctico Libro te capacitará para que seas un auténtico @mante.
