The Dogwalker Trilogy: Not That Kind of Girl, The Night She Got Lucky, and Aint Too Proud to Beg Susan Donovan

Not That Kind of Girl

Roxie Bloom is through with love. Fresh on the heels of a bad break-up, she's decided to devote all her time to her man-slamming website--and her man-hating dog, Lilith. But this pit-bull-Boxer is so good at unleashing her fury (and her owner's) that the male victims keep piling up...and now it's time to get some sensitivity training. Enter Eli Gallagher, one of the best--and hottest--canine experts in town.

The more Eli gets to know Roxie, the more he senses that Lilith is not the only one who has been hurt by men in the past. With a little gentle prodding, and a whole lot of patience, Eli hopes to gain Roxie's trust and soothe her broken heart. Eli can see that Roxie's bark is way worse than her bite. But she's not putting her guard down just yet--even if she *is* falling deeply, madly, *doggedly* in love with him...

The Night She Got Lucky

Her marriage is over. Her newspaper career went belly up. And it won't be long before her two teenage sons are off to college...and then what? Sometimes it seems like the only thing Ginger Garrison can count on is her beloved Bichon Frisé and the loyal women in her dog-walking group. But her luck is about to take a wild turn. . .

A diplomatic snafu has sidelined the globe-trotting nature photographer Lucio "Lucky" Montevéz, a man known as much for his wild personal life as his wildlife images. Now stuck in the States and forced to shoot pet portraits for a living, his prospects look downright tame...until Ginger enters his world. Lucky's always been a love-her-and-leave-her kind of guy, but something about the spirited, sensual Ginger makes him want to stick around. But will Lucky's playboy past end up costing him the only woman he's ever really loved?

Ain't Too Proud to Beg

Josie Sheehan collects failed relationships the way some women collect designer handbags. Now, at thirty-five, she has exactly one male in her life: her Labradoodle, Genghis. In fact Josie, along with the three very single women in her dog-walking group, has recently sworn off men, resigning herself to long walks in the park with her devoted, four-legged friend.

All bets are off, however, when she meets Rick Rousseau, a pet-company CEO who is smart, sexy, and, best of all, head-over-heels for Josie. Even Genghis, an excellent judge of character, seems to know that Rick is the real deal. But just when Josie starts to think that she has found something more enduring than puppy love, she discovers that Rick has a complicated past--and a secret that could put the woman he loves in serious danger...
