## **Would you move 6,000 miles to be with the love of your life?**

Hannah did. Unfortunately her plan isn't going terribly well. What was supposed to be a move to Hong Kong to start a wonderful new life with Sam is turning into a move to Hong Kong to spend occasional weekends with Sam, when he can get away from an unanticipated work assignment on the opposite side of the South China Sea. Still, she's optimistic, if woefully unprepared for the intricacies of Hong Kong. Stumbling through the alien city, which she loves, she starts to build a life for herself. Things definitely look up when she finds a great boss to work for, and her best friend Stacy moves to the city too. But alarm bells ring as Sam seems to be getting a bit too cozy with his boss. And when things start going wrong at work, Hannah can't help but wonder if she's made the biggest mistake of her life.

"Nothing misfortunate about this delicious morsel!" **Chick Lit Central**
