Veiled Shadows: The Age of Alandria: Book Two (Volume 2) Morgan Wylie

****Updated with additional content, original map of Alandria, and more as of 1.24.2016**** Shadows linger where light is obstructed, and truth is veiled. Evil is an untreated disease in the once beautiful realm of Alandria. Kaeleigh is faced with a revelation that she must reconcile. She will decide if discovering the truth is worth the unknown consequences to both herself and her friends. Daegan, the Ferrishyn warrior, is conflicted by more than his loyalties, and is confronted with emotions he doesn't know how to deal with. A choice must be made. A choice... that may cost him more than he ever wanted to give. The Droch-Shúil—enforcers and servants of the ancient darkness—continue to cast their shadow over Alandria seeking those who can be turned to their side. The magic of The Orchids is growing, but not everyone will survive what is to come. Veiled Shadows is the second installment in The Age of Alandria series: the story of the Sol-lumieth's quest for freedom of self and the power to battle the evil of the Droch-Shúil.
