Among the most striking of all bird species are birds of prey, or raptors. This little activity book features ready-to-color portraits of eight of these handsome birds — peregrine falcon, great horned owl, goshawk, American kestrel, black vulture, osprey, red-tailed hawk, and bald eagle — all realistically and boldly outlined on translucent paper.

Nature lovers of all ages can bring the birds to glowing life by coloring with felt-tip pens, crayons, or paints, then placing the finished pictures in a window or near another source of bright light for luminous stained-glass effects.
