Classic Garden Style: Planters, Furniture, Accessories, and Ornaments Ines Heugel

Classic Garden Style is all about the decorative, ornamental details that make a garden an extension of the home-an additional room with a variety of purposes. The book begins with a wide variety of containers and supports, including urns, terra cotta pots, zinc containers, trellises, pergolas, and other visual devices you can use to add height and depth to any garden space. Every garden needs a place to sit, and garden furniture-from table and chair sets to hammocks, settees, folding chairs, and other elements that invite seating, reclining, or entertaining-are covered in detail. Accessories of a practical nature come next. The items highlighted here, from birdbaths, baskets, cloches, and greenhouses to watering cans, lamps, and more, have some practical use in the garden in addition to adding visual interest. Strictly ornamental elements inject a sense of whimsy or art into the garden and range from garden gnomes to obelisks, statues, and fountains. This book catalogues many different types of ornament and decoration you can use to transform an ordinary garden into an exciting and comfortable outdoor room that extends the living space of your home."
