How Much Money Do I Need to Retire? Taking the Mystery Out of Knowing Your Number Lisa G. Hay CPA CFP

This comprehensive guide will answer the “million dollar question” that every person, young and old, MUST answer! Lisa Hay, CPA simplifies and demystifies the question that too few people ask, or ask too late: *“How Much Money Do I Need to Retire?”*

However, you don’t need to be a math whiz or stock market guru to understand the concepts presented. The author uses plain English and even provides a simple elementary grade level math problem to give you a ballpark estimate of how much you need to save. For those who want to get more sophisticated, a list and links to 25 free online retirement calculators is provided.

“How Much Money Do I Need to Retire?” starts with a step-by-step look at what it will take to create your own, personalized version of retirement success. Considerations such as: the impact of inflation, the rising cost of health care and long term care, and decisions about where to live are discussed. Other topics include ways to close the gap, (for those who discover they are not on track) and suggestions for making your money last. The author also provides user-friendly explanations of various budget and replacement rate methods of projecting your spending needs in retirement, with an evaluation of the pros and cons of each.

You have three choices:

1. Stick your head in the sand - and hope for the best.
2. Pay a financial planner thousands of dollars, and walk away with a glossy report (and hopefully NOT an expensive annuity that you don’t need!)
3. Buy this book!

The reality is: no one cares as much about your money and future financial independence as you do and no one is going to do it for you. So buy the book, set your goals, and achieve your dreams!

“How Much Money Do I Need to Retire? Taking the Mystery Out of Knowing Your Number” is one of a number of books that Lisa has written in her mission to help others by Equipping and Inspiring you to Achieve your financial goals!
