Mold Illness and Mold Remediation Made Simple (Discount Black & White Edition): Removing Mold Toxins from Bodies and Sick Buildings James Schaller

Discount Black & White edition with over 100 practical images, 30 in full-color; a top physician and master builder team up to clearly help you recover from indoor mold exposure. If you can find a smarter and clearer book on mold, buy it! Drs. Schaller and Rosen have written or co-authored seven previous books on mold illness treatment and mold related construction defects, along with dozens of scientific and educational publications. They have written on treating mold illness, removing mold toxins, proof of mold health effects, mold building testing, assessment, school indoor air quality, disaster restoration, and specialized labs which show how mold toxins cause obesity, mood problems, fatigue, concentration difficulties, increased cancer and hormone abnormalities. They are committed to restoring health to bodies and buildings quickly and efficiently. Dr. Schaller is a prolific writer with over a thirty innovative medical treatments. He specializes in patients with no solutions. His initial training in child and adult psychiatry now includes research and publications in over fifteen areas of medicine. Dr. Schaller is the co-discoverer of a functional cure for a rare blood cancer which is the standard around the world. He is the author of fifteen books, including the recently released, *When You Are Losing Your Mind Over Your Child : 100 Real Solutions!* Dr. Schaller is also the co-author of the 600-page *Mold Warriors: Fighting America's Hidden Health Threat*, and is one of the few physicians in the United States successfully treating mold toxin illness in children and adults. Dr. Rosen is a biochemist with training under a Nobel Prize winning researcher at UCLA. He is the author of *Advanced Topics & Training: Mold Growth Assessment* and *Advanced Topics & Training: Mold Remediation*. He is an expert mold remediator of homes, schools and large commercial buildings, and is gifted at finding reasonable and cost effective clean-up solutions. .
