James Rohrbach:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country.
