Winning at Deposition won the highest award available for legal publications: ACLEA's Award for Professional Excellence. The book won first prize from a field of over 300 entries submitted by continuing legal education publishers from across the USA. Written by the best-selling author of Winning at Trial, this book shows beginning and experienced attorneys how to win at deposition every time. With the first chapter explaining all the ins and outs of taking and defending a deposition, the remainder of the book reveals strategies that will help every lawyer vastly improve his deposition skills. Discover why much of the conventional wisdom about depositions is completely wrong, learn how to beat an expert witness every time, get innovative advice on witness preparation, and master the secrets that guarantee success with argumentative lawyers and lying witnesses. Unlike any other book, this one teaches from transcripts and videos of actual depositions. You will learn from the skillful techniques---and memorable failures---that occurred at the most famous depositions of all time, those of President Bill Clinton, Bill Gates, and O.J. Simpson. It's all here, clearly explained in an easy-to-understand format. In addition, the book provides detailed analysis of video depositions located at the book's website [www.winningatdeposition.com](http://www.winningatdeposition.com).
