For Beginners! - The Ultmate Guide To Creating Your Own Website, Plus Amazing Wordpress Seo Tips And Tricks!

WordPress is the most popular open source content management tool on the Internet. Some of the world's biggest companies use it to bolster their online appeal, improve their rankings - and ultimately create beautiful websites that stand out from the crowd. But while all the tools you will ever need to create a stunning website are right here for you, mastering them is not always easy if you're a complete beginner. In this ebook, I'm going to cut through the noise, explaining what the tools are - as well as how to use them effectively so that your website looks as gorgeous as you pictured it!
