*****Full Of Secrets*****

My name is Kasey Carter, and just a couple of months ago, I was a college junior flunking out of Arizona State University, but now I'm an undercover agent for the CIA.

I was the type of girl who thought she would go to school, meet a rich man and then spend the rest of my life being pampered and doted upon, so I never really cared about my studies and spent three years doing nothing but partying. But all my partying got me were a lot blurry late nights and failing grades.

But then one night at yet another frat party, I met a man who would change my life forever, Agent Doug Corey. For some reason, he saw something in me that no one else did: Potential. And the potential he saw in me was the ability to blend in with some of the most dangerous people on the planet. And not just blend in, but become one of them, because I am one of them.

Now I'm my first mission, infiltrating one of the most dangerous drug cartels on the planet, and I've gone so deep that I'm falling for a handsome, charismatic dealer named Ryan. He's everything I've ever wanted in a man, but he's also my target, and I've fallen for him so hard that I don't know if I'll be able to complete my assignment to take him down?
