Is This All There Is?: Life is a Journey. Do You Know Where You Are Going? Linda Johnson

This book came about because I knew people who were just like me. They really did not know the scriptures or how to apply them to their life today. I started going to a church where they emphasized the scriptures and used them in sermons for today's time. I asked my Heavenly Father, "Is this all there is?" (meaning going to church, and just praying). Hearing the scriptures preached for our today times made a difference for me. The pastor taught some oriental customs of that time. I took a lot of notes during church. Suddenly I started understanding and learning and it was exciting! About 50 years ago, I asked God why He didn't communicate with us like he did with the saints back in the Old Testament? I asked Him why he didn't do miracles anymore? He answered me a few years later. He does still communicate with us and He does still do miracles. Read my testimonies in Part II of this book. God is so awesome!
