Study Guide for 1Z0-007: Introduction to Oracle9i SQL: Oracle Certification Prep Matthew Morris

This Study Guide is targeted at IT professionals who are working towards becoming an Oracle Certified Professional in either the administrator or developer tracks. The book provides information covering all of the exam topics for the Oracle certification exam: "1Z0-007: Introduction to Oracle9i SQL".

The books in the Oracle Certification Prep series are built in lockstep with the test topics provided by Oracle Education's certification program. Each book is intended to provide the information that will be tested in a clean and concise format. The guides introduce the subject you'll be tested on, follow that with the information you'll need to know for it, and then move on to the next topic. They contain no drills or unrealistic self-tests to bump the page count without adding value. The series is intended to provide a concentrated source of exam information that is compact enough to be read through multiple times.

This series is ideal for experienced Oracle professionals that are familiar with the topic being tested, but want a means to rapidly reinforce their existing skills and bridge any gaps in their knowledge. It is also an excellent option as a second source of information for candidates pursuing certification.
