## **The Fund** H.T. Narea

U.S. defense intelligence operative Kate Molares is investigating a suspicious international money trail.

Her instincts place her at the center of a plot involving a terrifying new kind of terrorism—financial terrorism—perpetrated by a suave, handsome Middle Eastern hedge fund mogul. His goal is to wreck the West by bringing the global economy to its knees.

Kate's mission takes her from the defense intelligence command center on the outskirts of Washington, D.C. to the oil-fueled economy of Caracas, Venezuela; from the Beaux-Arts buildings of Old Havana in Cuba to a hedge fund king's magnificent back-country estate in Greenwich, Connecticut; from the United Nations to the site of a deadly Islamic conspiracy in the Iberian Peninsula.

Kate is in a race against time to fit together the pieces of this global puzzle...or risk the catastrophic destruction of the world's financial markets.
