The Outworlder: (Book I in the Silesia Trilogy) S.K. Valenzuela

An assassin haunted by her past. A desert world with no hope of a future. An evil collective bent on their total annihilation.

Sahara Acwellan may be a virtuoso assassin, but her crimes against the Dragon-Lord empire have earned her a one-way trip to a prison colony on the dying desert world of Silesia. Nothing can prepare her for what she'll find there, or for the unexpected second chance she's given to finish what she started.

All that stands in her way is Jared Alareth, the warrior turned apprentice healer with a past as shattered as her own. As Sahara sweeps Jared and his people into a conflict they have tried so desperately to avoid, they discover that the treachery of the Dragon-Lords goes deeper than they could ever have imagined.

THE OUTWORLDER is an explosive, poignant science fantasy adventure that questions whether true love really can conquer all...and whether you can ever really find freedom when the strongest chains that bind you are the ones within your own soul.

If you love space opera adventure stories with a love story soul, you don't want to miss The Outworlder and the rest of the Silesia Trilogy!
