101 Movie Clips that Teach and Train Becky Pike Pluth

Using short clips from movies can relay learning points more dramatically and quickly than any lecture. Let this book jumpstart your creativity for lesson planning or training design by providing you with the perfect movie clip for over 100 topics, including discrimination, leadership, team building, and sales. Each clip comes with cueing times, plot summary and scene context and cogent discussion questions. All topics are cross-referenced so you can easily find the perfect clip for your teaching or training needs. Are you teaching or training a key point and want to illustrate it to reinforce information or start a discussion? Simply look to the topical index and find what themes tie into your lesson. The clips in the book are organized by movie title and some clips have multiple themes or takes on a topic. To better help with copyright laws, you will find the movie title, distributor, rating and year released in the next section.
