The heart of a mom is wrapped up in the people she loves -- her children, her husband, her co-workers, her friends. She wants to give them the very best of herself, but sometimes her busy schedule gets in the way of the most precious gift she can give them -- her prayers.

With this unique tried-and-proven prayer system, even the busiest moms can have a rich prayer life that impacts the people she loves the most. Author Lisa Whelchel offers seven categories of prayer that can be used as they are or modified to fit each mom's special needs. By investing just ten minutes a day, in one month, a mom can bring nearly one hundred and fifty matters before her heavenly Father. From requests for her children's protection to wisdom in her personal life to praise for God's constant faithfulness, this simple plan brings order and purpose to prayer.
