From Book 1: Emi Lost & Found series - Winner of the Best Happily Ever After of 2013 - HEA Bookshelf

“There was true depth to the story and the characters that moved me and emotionally gutted me. I was so taken by Nate and Emi’s love for each other. It’s the kind of love that few have and many desire but never get to experience.” - Megan, Reading Books Like a Boss

Independent and sensitive, idealistic and hopeful, Emi Hennigan lives her life with optimism and an open mind. Between sharing a tiny Manhattan apartment with her fun-loving roommate and spending most of her free time with her heart-breaker friend, Emi’s seen enough failed relationships to know what to avoid in her quest to find her true love. Not only that, but a single moment from her past lingers in her mind, setting high expectations for every man she dates.

Emi’s best friend, artist and hopeless romantic Nate Wilson, has been her closest companion all of their adult lives. After swearing off love with Emi in a silly high school pact, Nate has been seeing other women in hopes of finding one that evokes stronger feelings than the ones he’s been harboring for Emi since he was a teen. Over the span of a year, boundaries are crossed, feelings are confessed, and their unique friendship begins to blossom into something more.

Through Nate’s eyes, an atypical romance unfolds, disrupting the comfortable safe haven their friendship has provided. With a promising future ahead of them both, fate intervenes to bring two soul mates together.
