Father Force Dr. Phillip M. Davis

There is no greater power to change a life than that of a father. In *Father Force*, Phillip Davis reveals the purpose and destiny intended for the role of the father. *Father Force* deals with the critical issues that face our society and fathers of the day including the growing fatherless generation and the role the church plays in this society. *Father Force* provides a true understanding of the character and nature of our heavenly Father and His perfect design and destiny for fathers to impact their world and all of eternity. With practical application, biblical wisdom, and unique spiritual insight, Bishop Davis encourages fathers to step into the fullness of all God desires and to lead their families as they take their spiritual role and become the Father Force—most powerful influence in the universe.
