From the Heart June Carter Cash

June Carter Cash has shared a lot of sorrow along with the fame and fortune that accompanied her famous relationships. Growing up in country music's legendary Carter Family and marrying Johnny Cash were bound to have provided her with some extraordinary experiences, but the ones she recounts here are not about show business triumphs. Rather, she offers 46 vignettes that are as likely to be poignant sketches of ordinary people as about her celebrated family and friends. Even the stars are humanized by her sensitivity, which grieves for their shortcomings without ever sensationalizing them.
