Almost all the articles in this book first appeared in "The Paradise Post," a newspaper published in Hilo, Hawaii. The legends were presented as part of public talks given over the years. Both articles and legends were drawn from multiple sources and a reference list is provided at the end of the book. The order of the articles roughly matches the order in which they were first published. The order of the legends is random. All the articles and legends are very brief, thus the "Glimpses" in the title. The purpose is to give casual readers a little about a lot of things Hawaiian.
