This Theological Commentary is the first full-length work in English to consider Johann Sebastian Bach's St John Passion in its entirety, both the words and the music. Bach's oratorio is a globally popular musical work, and a significant expression of Lutheran theology. The commentary explains the Biblical and poetic text, and its musical setting, line by line. Bach's Passion is shown to be the work of a master craftsman and trained theologian, in the collaborative and cultural milieu of eighteenth-century, Lutheran Leipzig.
