Bryn McCaskey is young, naïve, and can talk to ghosts...

Like her mother and grandmother, Bryn comes from a breed of witches called The Keepers of the Lost Souls. Their main purpose is to guard those spirits who are permanently or temporarily grounded in the world of the living. Handling supernatural creatures is something which comes naturally to Bryn, however, dealing with people is a whole different story.

As her 18th birthday approaches it's time for her to take on her first assignment. Bryn is forced to confront her inability to communicate with others in an effort to save the one soul that can mean the difference between life and death for mankind.

Johnny Shaw is a lost soul with a personal vendetta against witches...

A vendetta he has carried on even after death. As much as he hate's them he must join forces with a keeper witch, in order to stop a century old threat. When fate brings them together, not only will they be forced to learn how to work as a team, but they will have to depend on each other to stop an evil witch carrying a six hundred year grudge!
