Tangled Rose: Motorcycle Dark Romance 1 (The Darkness Trilogy) Abby Weeks

Warning! This book contains triggers that some readers will find distressing. It is not for the faint of heart.

This is the provocative opening book to *The Darkness Trilogy*

Tainted Rose is the second book.

Twisted Rose is the finale.

Drawn from experiences in the author's own life, this is a heartbreaking and painful story of abuse, degradation and humiliation. While the trilogy as a whole ends happily, this book does not. You've been warned!

Rose Meadows has been kidnapped. She wakes up in a motel room, tied to the bed, and she is terrified. Never could she have imagined what the men who took her have in store. The pleasures they seek are not only sexual; they want that, but they also want to abuse her in more degrading and devastating ways. They want to humiliate her. They want to debase her. And most of all, they want to break down her trust in the one thing that can eventually set her free: Love.

Start this trilogy if you are brave enough to see it through to the end. It is a heartbreaking story but it is also a triumphant one. It shows that love can be found in the darkest of places, and that sometimes it is the roughest and hardest of men who prove to be the most surprising.
